

Sauna cabin 9.2 m²

Sauna cabin 9.2 m²

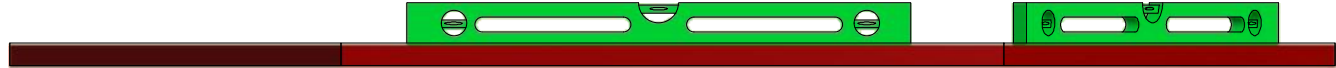

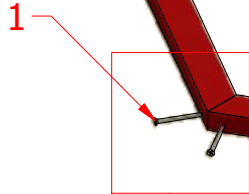

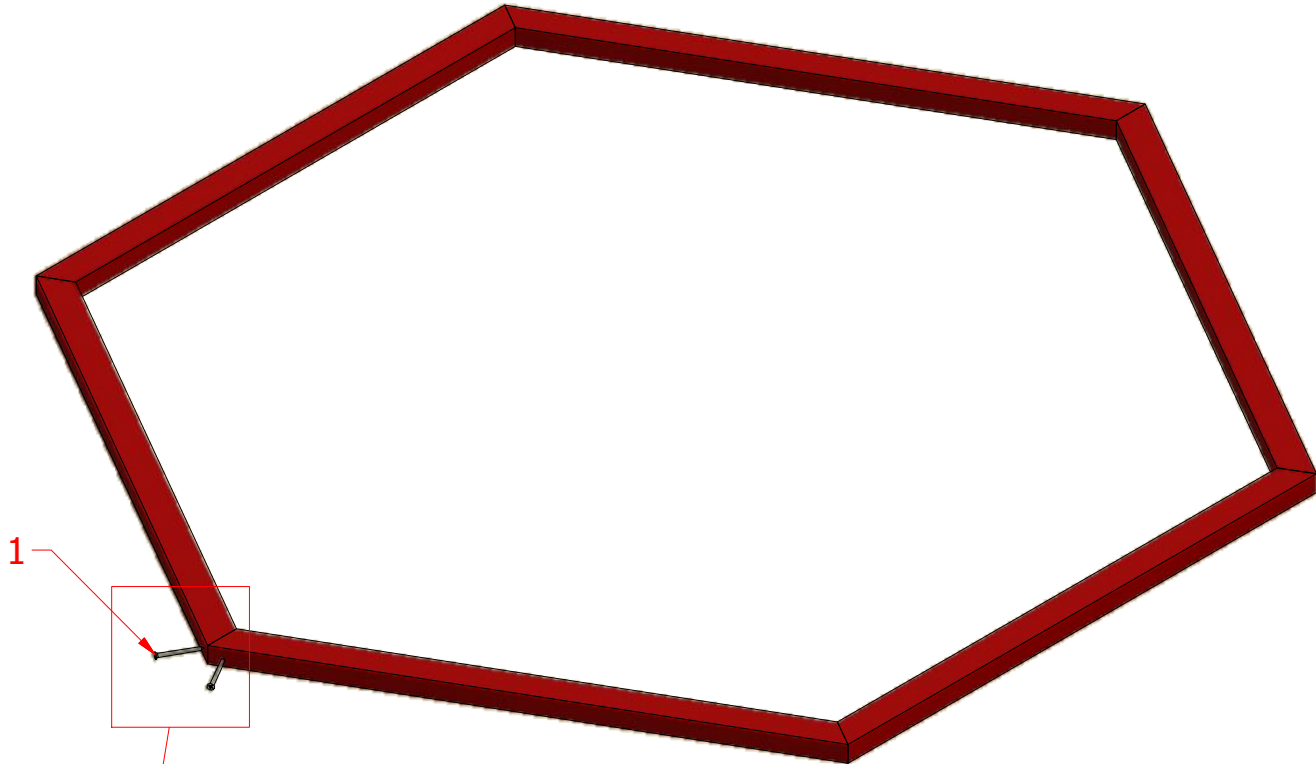

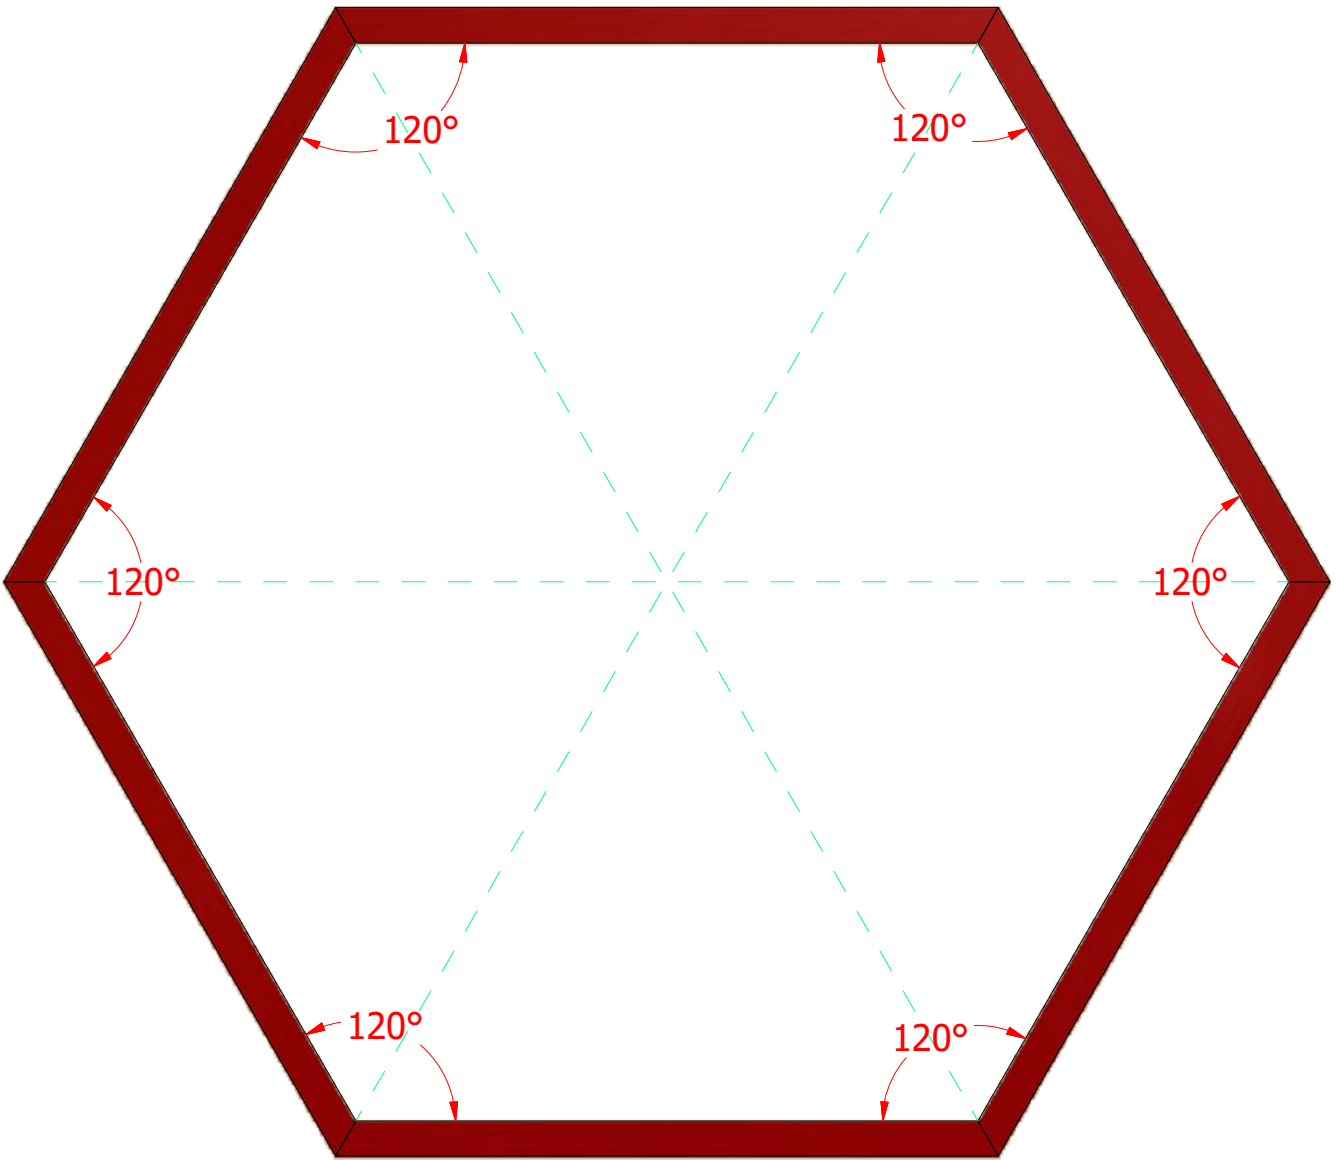

This exploded view diagram illustrates the components of a 9.2 m² sauna cabin kit. The parts are numbered 1 through 53, with some items like screws and a base plate indicated by text labels. The quantities for each part are listed in red text next to the part number. The parts include various wooden planks, beams, corner braces, a door frame, a roof structure, and a base plate. The diagram shows how these parts fit together to form the complete sauna cabin.
